

"PREPARING STUDENTS TO BE COLLEGE AND CAREER READY."

2022-2023 National Technical Honor Society

The Gratiot-Isabella Technical Education Center honored 71 new inductees to the National Technical Honor Society (NTHS) this year. These students from the Mount Pleasant Campus have shown outstanding commitment to their CTE programs. Nine returning seniors, who were inducted during last year's ceremony, were also honored with their NTHS honor cords for graduation this spring.

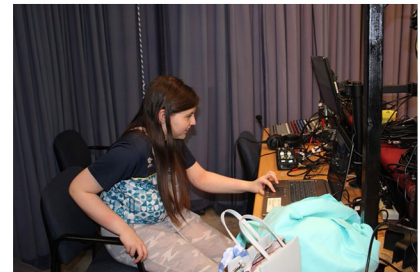

GI-TEC Programs (Alma & Mt. Pleasant Campuses):

- Accounting
- Agriscience
- Automotive Technology
- Business Management
- Construction Trades
- Cosmetology
- Culinary Arts
- Criminal Justice
- Digital Media
- Educational Careers
- Health Careers/CNA
- Interior Design
- Machine Trades
- Marketing
- Mechatronics
- Graphics/Printing
- Small Engine Technology
- Technical Drafting/CAD
- Welding

Providing professional & technical training for all Gratiot and Isabella county school districts.

It is the policy of the Mt. Pleasant Public Schools and the GI-TEC not to discriminate on the basis of race, color, religion, national origin, creed or ancestry, age, sex, height, weight, marital status, sexual orientation or disability in educational programs, activities or services and to comply with all requirements and regulations of the United States Department of Education. In addition, arrangements can be made to ensure that the lack of English language skills is not a barrier to admission or participation. Questions or concerns regarding compliance with this policy may be directed to the: Assistant Superintendent for Human Resources at Mt. Pleasant Public Schools, 720 N. Kinney Ave., Mt. Pleasant, MI 48858, (989) 775-2303

2022 - 2023 OPEN HOUSE

GI-TEC held its annual open house on Thursday, February 2, 2023. Staff from the Mt. Pleasant Campus showcased their career technical education programs for the community. Students from 17 programs volunteered to wow those in attendance with their live demonstrations, knowledge, and technical skills. From engine repair, color theory, machine engraving, culinary treats, and so much more, future GI-TEC students were able to see what CTE is all about!

VFW National Citizenship Education- Teacher of the Year

Denise Arnold, Certified Nursing Assistant Instructor from GI-TEC Mt. Pleasant, was named as the recipient of the Smart-Maher VFW National Citizenship Education Teacher of the Year Award. This honor was received through the Veterans of Foreign Wars and its Auxiliaries during the Department of Michigan VFW Mid-Winter Conference held January 28, 2023, in Kalamazoo, Michigan. Each year the Veterans of Foreign Wars selects elementary, middle, and high school teachers for nomination in the Smart-Maher VFW National Citizenship Education Teacher program. VFW Post Scholarship and Teacher of the Year Chairpersons may submit one candidate in each grade level. Teachers who promote civic responsibility, flag etiquette, and patriotism are prime candidates for this award.

Denise is a life member of the Mt. Pleasant VFW Post 3033 Auxiliary. She has held the positions of local and district president, as well as other organizational positions. Denise promotes patriotism with her students and our school through daily recitation of the pledge of allegiance and encouraging student participation in events honoring veterans. Many of her students have participated in VFW programs such as the Voice of Democracy, Patriotic Pen Scholarship Contest, Young Patriotic Art Contest, Illustrating America Art Contest, and Set Ready for the Red, White, and Blue Singing Contest. Denise was also in charge of this year's "Clothing Our Kids" drive for the elementary schools of Mt Pleasant, Michigan, which provided winter clothing to students in need.

Her nomination now moves to the national level, which if awarded 1st place, she will be honored during the VFW National Convention in July, held in Phoenix AZ.

BUSINESS PROFESSIONALS OF AMERICA

25 BPA Students Qualify for National Competition!

The BPA State Leadership Conference was held March 9-12, 2023 in Grand Rapids at the Amway Grand Plaza. Over 2000 students from Michigan participated in over 60 business related contests. Of the students who competed from the GI-TEC-Mt. Pleasant Chapter, 17 students qualified for the BPA National Competition. The Statesman Torch Award recipients, top two teams, top three individual judged events and the top five accounting and computer events are now eligible to advance to the national competition. This year's national competition will take place in Anaheim, California on April 25-30, 2023.

The SkillsUSA Regional Competition was held March 3, 2023, at Delta College. Students from the Culinary Arts, Machine Trades, and Mechanical Drafting programs represented part of Michigan's Region 3. They participated in program specific events, with several qualifying for the state competition to be held April 14-16, 2023, in Grand Rapids.

Culinary Arts Finalist

Job Skills Demonstration A

- Laura Brown - 2nd place

Machine Trades Finalists

CNC Specialist Milling:

- Jibril Elgammal - 1st place
- Washington Minthorn - 2nd place

Precision Machining Overall:

- Luke Lyons - 4th place

Mechanical Drafting Finalists

Additive Manufacturing:

- Team Event: Justin Pflaum & Sophia Reilly - 1st place

Students from the Business Management program competed virtually against 15 teams from 9 Michigan High Schools to earn the title "Titans of Industry" in a regional Junior Achievement Competition on December 9, 2022. The Titan Challenge is a business specific event where students are required to make decisions about products, marketing, pricing, and selling techniques based on real-life scenarios. First place finalists received a \$500 award and the opportunity to compete in the national competition held virtually May 17-18, 2023. Students placing second received a \$50 award and will be recognized at nationals for their efforts.

Titans of Industry Finalists:

- Dorian Jones - 1st place
- Dylan Lewis - 1st place
- Grant Stahl - 1st place

Titans of Industry Recognitions:

- Lahrae Wilson - 2nd place
- Brayden Yarger - 2nd place

ARTICULATION / COLLEGE CREDIT

At Gratiot-Isabella Technical Education Center, students have the opportunity to earn college credit while still in high school. This process is known as articulation. Students can earn articulated college credit by demonstrating successful completion of a GI-TEC program. Gratiot-Isabella Technical Education Center has written articulation contracts with colleges and universities such as:

For more detailed information check out

<http://gi-tec.com/articulation-and-possible-college-credit.html> on the Gratiot-Isabella Technical Education Center's website. Credit may be granted up to a predetermined maximum amount of credit hours, which will be determined by demonstrated student competency levels and/or exams. Please contact Camille Greening, CTE Counselor, (989) 775-2210 x 20858, for more detailed information.
